Achievements

Revel

- Revel is a platform connecting people holding events with the event services in their area. People can find, book, and pay all on the one platform. www.revelthat.com
- This has given me invaluable experience in customer service, social media management, UI/UX design, sales and marketing.
- Raised \$20,000 to further develop the business

VFL player at Collingwood Football Club

- Professional football player at Collingwood Football Club since 2016
