# Longform travel stories.

June 12 2019

Early stories below are mostly about travel, since the food part really came in later. It wasn't until I got to China and then Southeast Asia that food became the thing that led me from place to place, learning as much as I could. I've written before how friends from school find my food obsession laughable because then I just didn't really pay attention.

## **Challenges I faced where:**

- Responsiveness of site
- Making SVG's responsive ensuring they adjust well on mobile
- Following the designs and knowing when to adjust them.

## **Ethical Issues:**

- Stock images that I used and if I need to give the photographer credit.

## **Favourite Parts:**

- Thinking of the design and drawing it up.
- Applying the designs
- Implementing Google maps into it
